FIRE GLASS

Our decorative fire glass media is a beautiful addition to your fireplace. Turn your fireplace into a expressive work of art by simply adding our decorative fire glass media. Our fire glass adds a distinctly modern feel to your gas fireplace - mix colors and textures for a unique appearance.

Our decorative fire glass is tempered and will not melt or degrade, some discoloration is normal on glass that is placed directly on the flame. Always wear protective gloves when handling fire glass media.

One 5lb container of media will cover 1 square foot.
